THE POST-WORKOUT RECOVERY HANDBOOK

EAAs, Glutamine and 20 Recovery Formulas Reviewed

Editor's Note

Prices are listed in USD and were checked at the time of writing; they change often. Serving counts follow the manufacturer's label. Read every label carefully, start with a half dose when trying a new stimulant, and speak to a qualified professional if you have a medical condition. Products are listed in no particular order.

01. IronForge Labs - Forge Recovery EAA

Brand Overview: Rebuild faster between sessions.

Quantity / Servings	30 Servings
Price	$36.99
Amino Acids per Serving	10g EAA
Glutamine per Serving	5g
Electrolytes	Sodium 200mg, Potassium 100mg

Review & Efficacy

Full-spectrum essential amino acids with glutamine. Noticeably reduces soreness during high-volume training blocks.

02. Apex Athletics - Apex BCAA 2:1:1

Brand Overview: The classic recovery formula.

Quantity / Servings	60 Servings
Price	$29.99
Amino Acids per Serving	7g BCAA
Glutamine per Serving	0g
Electrolytes	None

Review & Efficacy

A budget-friendly BCAA powder in the classic 2:1:1 ratio. Refreshing flavors, but no glutamine or electrolytes.

03. Titan Nutrition - Titan Post-Workout Matrix

Brand Overview: Everything your muscles need after the last rep.

Quantity / Servings	20 Servings
Price	$49.99
Amino Acids per Serving	15g EAA
Glutamine per Serving	5g
Electrolytes	Sodium 300mg, Potassium 200mg, Magnesium 50mg

Review & Efficacy

The most complete recovery formula in this guide. Includes fast carbs for glycogen refill. Pricier, but nothing is missing.

04. PureLift - PureLift Tart Cherry Recovery

Brand Overview: Natural recovery, powered by fruit.

Quantity / Servings	30 Servings
Price	$34.99
Amino Acids per Serving	5g EAA
Glutamine per Serving	2g
Electrolytes	Potassium 150mg

Review & Efficacy

Tart cherry extract for soreness plus a light amino dose. A gentle, natural option for runners.

05. Vanta Sport - Vanta Hydro Recover

Brand Overview: Hydrate and recover in one scoop.

Quantity / Servings	30 Servings
Price	$32.50
Amino Acids per Serving	8g EAA
Glutamine per Serving	3g
Electrolytes	Sodium 400mg, Potassium 200mg, Magnesium 60mg

Review & Efficacy

Recovery plus the highest electrolyte dose listed. Excellent for summer training and heavy sweaters.

06. NorthPeak Nutrition - NorthPeak Glutamine Pure

Brand Overview: Pure glutamine, nothing else.

Quantity / Servings	100 Servings
Price	$24.99
Amino Acids per Serving	0g
Glutamine per Serving	5g
Electrolytes	None

Review & Efficacy

Unflavored L-glutamine that can be added to any shake. Best value for glutamine on its own.

07. Kinetic Labs - Kinetic Night Repair

Brand Overview: Recover while you sleep.

Quantity / Servings	30 Servings
Price	$39.99
Amino Acids per Serving	6g EAA
Glutamine per Serving	3g
Electrolytes	Magnesium 200mg

Review & Efficacy

A caffeine-free evening recovery drink with magnesium and glycine to support sleep quality.

08. Olympus Supplements - Olympus Ambrosia Recovery

Brand Overview: Recovery fit for the gods.

Quantity / Servings	25 Servings
Price	$42.99
Amino Acids per Serving	12g EAA
Glutamine per Serving	5g
Electrolytes	Sodium 250mg, Potassium 150mg

Review & Efficacy

A premium EAA formula with a smooth tropical flavor. Great for back-to-back training days.

09. Redline Performance - Redline Rebuild

Brand Overview: Rebuild. Refuel. Repeat.

Quantity / Servings	30 Servings
Price	$37.99
Amino Acids per Serving	10g BCAA
Glutamine per Serving	5g
Electrolytes	Sodium 150mg

Review & Efficacy

High-dose BCAAs with glutamine. Popular with lifters training twice a day.

10. Summit Fuel - Summit Endurance Recovery

Brand Overview: Built for long-distance athletes.

Quantity / Servings	20 Servings
Price	$38.50
Amino Acids per Serving	8g EAA
Glutamine per Serving	2g
Electrolytes	Sodium 350mg, Potassium 200mg

Review & Efficacy

A carb and protein recovery mix designed for runners and cyclists after long sessions.

11. CoreStrong - CoreStrong EAA Zero

Brand Overview: Zero sugar recovery.

Quantity / Servings	30 Servings
Price	$31.99
Amino Acids per Serving	9g EAA
Glutamine per Serving	0g
Electrolytes	Sodium 100mg

Review & Efficacy

Sugar-free EAAs that can be sipped during training or after. A clean everyday option.

12. Primal Edge - Primal Recovery Fuel

Brand Overview: Feed the machine.

Quantity / Servings	25 Servings
Price	$44.99
Amino Acids per Serving	10g EAA
Glutamine per Serving	5g
Electrolytes	Sodium 200mg, Potassium 200mg

Review & Efficacy

A dense recovery formula with added creatine for strength athletes. Thick berry flavor.

13. Velocity Nutrition - Velocity BCAA Budget

Brand Overview: Recovery for every wallet.

Quantity / Servings	50 Servings
Price	$22.99
Amino Acids per Serving	5g BCAA
Glutamine per Serving	1g
Electrolytes	None

Review & Efficacy

The cheapest recovery product in this guide. A light dose, but a solid starting point.

14. Atlas Performance - Atlas Recovery Shake

Brand Overview: Carry the load, recover the load.

Quantity / Servings	20 Servings
Price	$46.99
Amino Acids per Serving	20g Protein + 5g EAA
Glutamine per Serving	3g
Electrolytes	Sodium 200mg

Review & Efficacy

A complete post-workout shake with whey, fast carbs and EAAs. Basically a meal replacement for hard gainers.

15. Halo Wellness - Halo Vegan Recovery

Brand Overview: Plant-powered repair.

Quantity / Servings	30 Servings
Price	$35.99
Amino Acids per Serving	8g Plant EAA
Glutamine per Serving	2g
Electrolytes	Potassium 100mg

Review & Efficacy

Fermented plant-based amino acids for vegan athletes. Mild citrus flavor.

16. BlackRidge Labs - BlackRidge Tested Recovery

Brand Overview: Competition-safe recovery.

Quantity / Servings	30 Servings
Price	$40.99
Amino Acids per Serving	10g EAA
Glutamine per Serving	5g
Electrolytes	Sodium 200mg, Potassium 100mg

Review & Efficacy

Third-party tested for banned substances. Recommended for drug-tested competitors.

17. Evolve Sports - Evolve Joint & Recovery

Brand Overview: Recover muscles and joints together.

Quantity / Servings	30 Servings
Price	$43.50
Amino Acids per Serving	6g EAA
Glutamine per Serving	3g
Electrolytes	None

Review & Efficacy

Adds collagen, turmeric and glucosamine for joint comfort. Great for lifters with achy knees and elbows.

18. Granite Nutrition - Granite Mag-Recovery

Brand Overview: Relax. Repair. Rebuild.

Quantity / Servings	60 Servings
Price	$27.99
Amino Acids per Serving	0g
Glutamine per Serving	0g
Electrolytes	Magnesium 300mg, Zinc 15mg

Review & Efficacy

A ZMA-style magnesium and zinc formula taken before bed. Supports sleep, which is where recovery really happens.

19. Nova Strength - Nova EAA Hydration

Brand Overview: Train harder, recover smarter.

Quantity / Servings	30 Servings
Price	$33.99
Amino Acids per Serving	9g EAA
Glutamine per Serving	2g
Electrolytes	Sodium 250mg, Potassium 150mg

Review & Efficacy

A great all-rounder that blends EAAs and hydration. Easy to drink in large shakers.

20. Zenith Labs - Zenith Recovery Pro

Brand Overview: Professional-grade recovery.

Quantity / Servings	30 Servings
Price	$47.99
Amino Acids per Serving	12g EAA
Glutamine per Serving	5g
Electrolytes	Sodium 300mg, Potassium 150mg, Magnesium 50mg

Review & Efficacy

A premium recovery stack with HMB added for muscle preservation during cutting phases.
